## Local Expertise. Global Vision.

Comments from officials of British High Commission and Australian High Commission

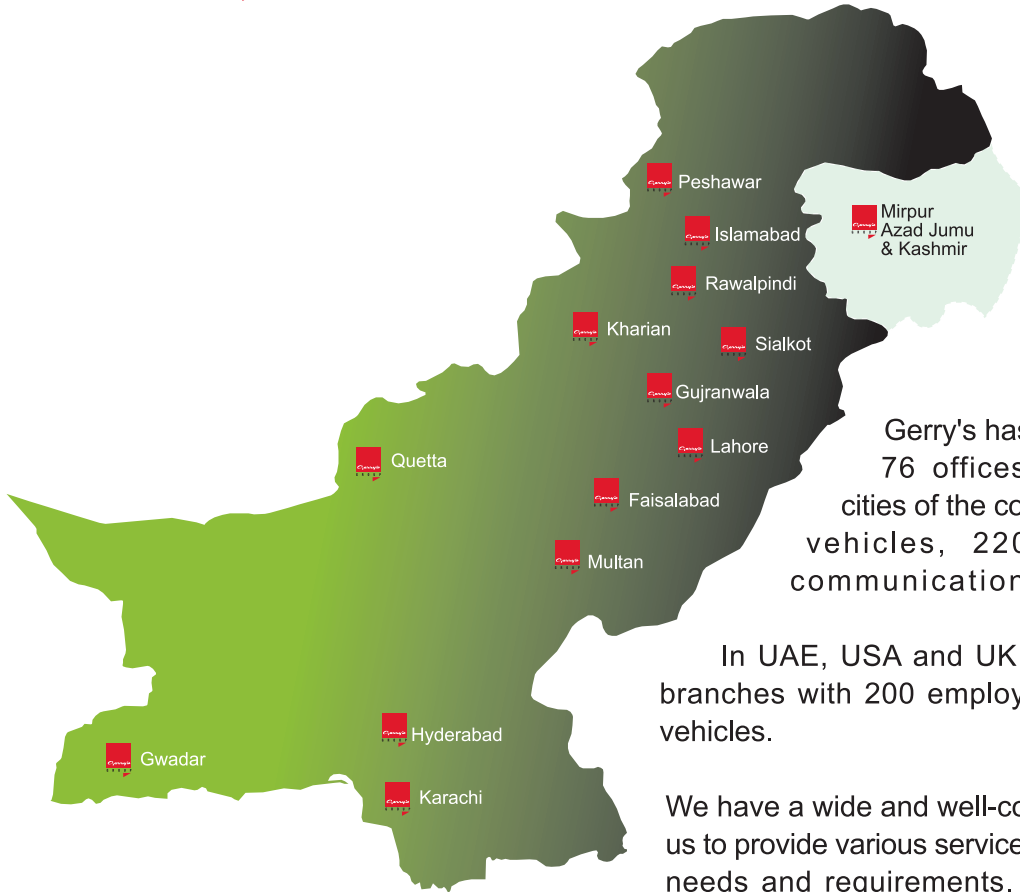

The Honourable British Home Secretary and MP; Theresa May visited Gerry's VAC in Lahore on Wednesday September 25, 2013. The distinguished guest was received by Mr. Akram Wali Muhammad, The Group MD.

**H.H. Sheikh Ahmed Bin Saeed Al Maktoum, Chairman Emirates Group and President Dubai Civil Aviation Authority, signing the first Dnata Offshore ground handling joint venture agreement with Gerry's Group Managing Director Mr. Akram Wali Muhammad**

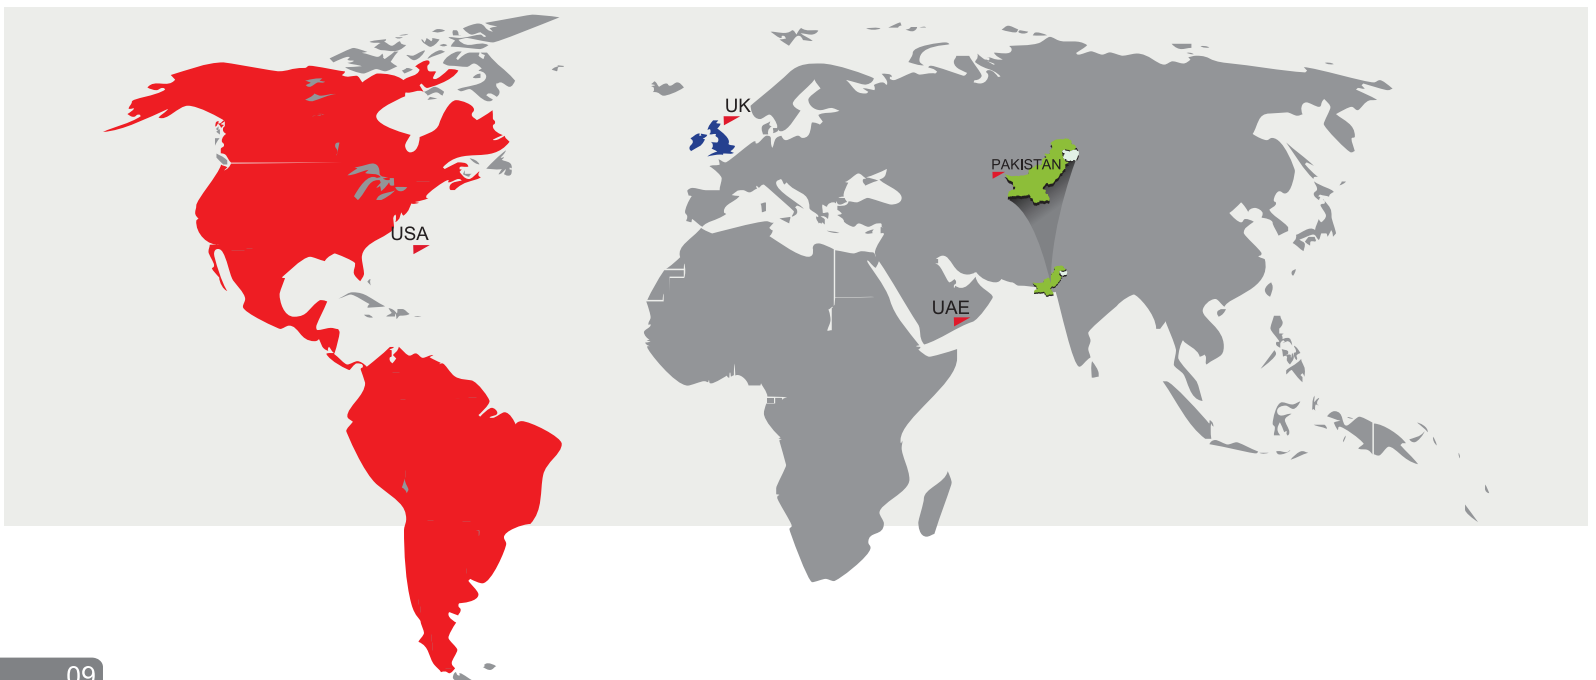

## Our Network

Gerry's has a vast network consisting of 76 offices in Pakistan covering all cities of the country with over 250 operating vehicles, 2200 employees, modern communications & IT infrastructure.

In UAE, USA and UK Gerry's has 21 offices and branches with 200 employees and over 50 operating vehicles.

We have a wide and well-connected network, that allows us to provide various services according to our customers' needs and requirements. Our well-trained, customer focused, qualified and highly experienced staff equipped with state-of-the-art technologies and modern IT infrastructure serve our valued customers and offer them customized and value added solutions.

It is this ability to deliver as promised, that has won us acknowledgements from reputed airlines and multinational companies from around the world.

## Our Partners in Business

A photograph of two business people shaking hands, with a blue world map in the background and a red grid pattern overlaid on the right side.

A consistent record of outstanding performance has won Gerry's much acclaim and a steady rise in repute, trust and confidence worldwide.

Our performance has helped us establish an enviable reputation in the National and International market place and we have been declared as an outstanding business partner by many of the most respected companies around the world. Our ability to attract major international names as both agents and partners demonstrates our high professional and ethical standards. Today, we have collected under our flagship most of the leading international carriers.

It is due to this remarkable show of excellence that Gerry's has earned the distinction of being appointed as General Sales and Ground Handling Agent for the most reputed airlines of the world.

## General Sales Agents (GSAs) for International Airlines

- Gerry's International (Pvt.) Ltd.
- Country Express (Pvt.) Ltd.
- Global Aviation (Pvt.) Ltd.
- Blue Bird Aviation (Pvt.) Ltd

# Gerry's International (Pvt.) Ltd.

Gerry's  
INTERNATIONAL

Gerry's enjoys an enviable position in the market for its diversified services based on reliability, efficiency and integrity. This is the result of long years of professionalism and relentless dedication to serve our customers with efficacious services in the field of air travel by providing convenience with style. A track record of consistent outstanding performance has won Gerry's steady rise in repute, growing trust and confidence worldwide.

Today, we have collected under the umbrella of Gerry's, GSA appointments for Passenger and Cargo of reputed airlines in the world.

Virgin Atlantic Airways Limited (operating as Virgin Atlantic) is a British airline owned by Sir Richard Branson's Virgin Group (51%) and Delta (49%). It operates between the United Kingdom and North America, the Caribbean, Africa, the Middle East, Asia, and Australia from main bases at Gatwick and Heathrow Airports.

Kenya Airways today is the leading regional carrier to Africa, attracting a strategic partnership with KLM Royal Dutch Airlines to become Africa's first privatized flag carrier. Due to market growth and potential, Kenya Airways started operating from Pakistan in the year 2006.

Oman Air is the national airline of Oman. Oman Air recently launched its flights to Lahore and Islamabad from Muscat in addition to existing flights to Karachi. Lahore and Islamabad represent Oman Air's 36th and 37th destinations respectively.

Biman Bangladesh Airlines, is the national airlines of Bangladesh. A member of IATA, it flies passengers and cargo to 18 international destinations in Asia and Europe.

Air Canada is the flag carrier and largest airline of Canada. Its largest hub is Toronto Pearson International Airport in Ontario. Air Canada is the world's 7th largest passenger airline by fleet size and the airline is a founding member of Star Alliance.

Etihad Airways, the national airline of the United Arab Emirates, has in just eight years established itself as the world's leading airline. Etihad Airways also owns nearly 30 percent of Airberlin, Europe's sixth largest carrier and 40 percent of Air Seychelles. Etihad Airways has received a range of awards that reflect its position as the leading premium airline brand in the world, including 'World's Leading Airline' at the World Travel Awards in 2009, 2010 and 2011

China Southern Airlines Co. Ltd., a proud member of SkyTeam, is directly affiliated with China Southern Air Holding Company, specializing in air transportation services. The airline fleet is ranked the first in Asia and the fifth among the 240 Airlines in IATA (in terms of fleet size). China Southern Airlines has been honored as the "Best Airline in China" by several international media organizations and was honored with the "Five Star Diamond Award" by The American Academy of the Hospitality Sciences in January 2004.

# Country Express (Pvt.) Ltd.

COUNTRY  
EXPRESS

We have a vast horizon of global travel-related services and our most craved honor is the absolute credence that our clients have in us.

GSA office of the United Airlines was officially inaugurated on 1st June 2000 in Pakistan. Since then United Airlines in Pakistan is performing exceptionally well by surpassing assigned targets each year. We have offices in nine cities: Karachi, Lahore, Islamabad, Faisalabad, Peshawar, Gujranwala, Sialkot, Kharian and Multan. United airlines has excellent connectivity and is proud to have the best first class service and a revolutionary business class. United became an independent company in 1934, merging with Capital Airlines in 1961, and again with Continental Airlines in 2011. It offers connections to over 1,000 destinations in over 170 countries on six continents. United operates 700 aircrafts out of ten international hubs.

Global Aviation represents Air France-KLM for Passenger as well as Cargo.

Global Aviation also has to its privilege a state of the art Cargo Warehouse at Cargo Terminal, Jinnah International Airport Karachi. This Cargo warehouse spans over an area of 2700 sqft and is equipped with telephone lines, electricity, water and standby generator. The warehouse facilities can be used to store export cargo/mail. The Cargo warehouse is well kept according to Airline's housing style.

Air France (formally Société Air France, S.A.), stylised as AIRFRANCE, is the French flag carrier headquartered in Tremblay-en-France, (north of Paris). It is a subsidiary of the Air France-KLM Group and a founding member of the SkyTeam global airline alliance. As of 2013 Air France serves 35 destinations in France and operates worldwide scheduled passenger and cargo services to 164 destinations in 93 countries. Air France was formed on 7 October 1933. Air France served as France's primary national flag carrier for seven decades prior to its 2003 merger with KLM.

KLM was founded on 7 October 1919, making it the oldest carrier in the world still operating under its original name. It is the national airline of the Netherlands and is part of Air France - KLM. KLM's headquarter is in Amstelveen near its hub at Amsterdam Airport Schiphol. KLM operates worldwide scheduled passenger and cargo services to more than 90 destinations.

Jazeera Airways is a low-fare airline with its head office on the grounds of Kuwait International Airport in Al Farwaniyah Governorate, Kuwait. It operates scheduled services to the Middle East and Europe. Its main base is Kuwait International Airport. The airline has grown since its launch to become Kuwait's second national airline and has been dynamic in popularizing low-cost carriers in the Middle East. On July 2009 one out of every four take offs at Kuwait International Airport was a Jazeera Airways aircraft taking off and one of every four passengers traveling to or from Kuwait had chosen Jazeera Airways as their preferred airline, taking over the airport as the largest operator.

To meet the need of a separate brand name for GSAs of new and upcoming airlines, Blue Bird Aviation (Pvt.) Ltd. came into existence. Continental Airlines was under Blue Bird aviation since 1986. Currently, Blue Bird Aviation is the GSA for Passenger and Cargo of Air Arabia since 2006.

العربية للطيران  
**airarabia.com**

Air Arabia is the first low-fares airline in the Middle East and North Africa region.

Air Arabia re-defined the concept of air travel through offering superb value for money, along with safe, consistent and reliable operation. The low cost model has been warmly welcomed across the region and continues to go from strength to strength. Air Arabia started operations in Pakistan in March 2007, operating 04 and 03 flights a week respectively from Karachi & Peshawar.

Air Arabia offices are located in Karachi and Peshawar and also being supported by Gerry's network all over the country.

Air Arabia offices in Pakistan offer following services for their valued passengers:

1. Ticketing & Reservations.
2. UAE Tourist and visit visa facilities with super low charges.
3. Holiday packages throughout the Air Arabia network.
4. 96 Hrs. Visa Facilities.

## Travel & Holidays

- Gerry's Travel Agency (Pvt.) Ltd.
- Gerry's Holidays (Pvt.) Ltd.
- Royal Holidays LLC, UAE

GTA -Pakistan specializes in corporate & leisure travel as well as event management services and prides itself in its efforts to be a leader among travel management companies. We recognize that travel cost constitutes a major controllable expense for most corporations and we aim to help our clients keep this cost as low as possible. Our core focus for the past 40 years has been on providing the travelers with a superior and total travel management service of the highest quality.

GTA - Pakistan has an extensive countrywide network to meet the diverse needs of today's business as well as individual travelers, supported by a highly skilled and committed team further strengthened by latest resources in travel and holiday's management technologies, making it the largest and most established travel service providers in Pakistan.

Locally, in terms of sales volume we are the second largest amongst the leading corporate travel companies in the country. By virtue of this standing, we are able to offer all our customers the benefits of dealing with large group, without compromising the personal attention to detail that each individual expects and deserves.

Globally, we are linked with the largest travel management travel company of the world - Hogg Robinson Group (HRG) with operations in 120 countries having more than 3000 office locations around the world. This partnership strengthens our local presence and enables us to provide global service to all our customers by virtue of being a "HRG customer".

We understand, in today's travel environment value-added services, maximum budget optimization and genuine satisfaction is every traveller's need. This is why a global management company with local ownership, like ours becomes an obvious choice.

STA Travel is a global travel specialist with 30 years experience advising young people on holidays and adventures abroad. We offer a unique range of flights, accommodation, tours and expeditions in 60 countries and send over 2 million passengers away each year. STA Travel has over 240 branches worldwide

Gerry's Travel, in its continuous pursuit to provide you excellence in travel, brings for the first time in Pakistan STA Travel - dedicated to providing students and youth the very best in global travel. STA Travel is the world's largest student travel organization - specializing in students and youth. Voted "Cool Super Brand" in the UK in 2007, STA Travel is a global brand that defines travel for students. We know that today's students are smart, dynamic, creative and ambitious generation that expects quality from every travel adventure and we are dedicated to providing the same quality travel experience to each of them.

## lotsofhotels

Lots of Hotel (LOH) a renowned and reliable worldwide hotel bookings system has appointed Gerry's group as its GSA and together they will be launching LOH system in Pakistan. Lots of Hotels was established in Dubai in 2012 as a subsidiary of Webjet, Australia & New Zealand's largest Online Travel Agency. As a significant commercial and travel hub, Dubai was carefully selected as a base to position Lots of Hotels. With the potential to connect with thousands of travel businesses throughout the Middle East & Africa region, Lots of Hotels aims to provide a unique business-to-business solution that places the broadest range of hotel rooms on sale worldwide, every day.

LOH aims to provide a simplified business-to-business solution that places the broadest range of hotel rooms on sale worldwide to the hands of partners, promptly, every day. Lots of Hotels sources content from multiple suppliers and via direct contracts with global hotel chains and independent properties ranging from one to five star hotels & resorts, offering rooms at more than 220,000 hotels worldwide. The Lots of Hotels supply model ensures clients find the best year-round rates and availability whenever & wherever they travel.
